Green River, West Virginia

Dear O.M.

Re-Letter 10/29/58

I did not expect full price for that article
(Infradyne Amp.), but how about \$10.00 plus \$2.00
ppstage.

Will check with Post Office this week.

I once was a fan of Mr. Best of Radio(Pacific
Coast Magazine), but since they quit, I have lost all
contact with them. I still have several friends out West
but doubt if after 30 years (1928-1958) one could find
that kit intact like my ampifier. Would you want me to
pick up the 3 X199 too?

Many thanks for Ham Trader phamphlet, I never
knew it existed. Have sent them a 2 years subscription.
Will write about that "Ad"too.

Hope everything above is O.K.

Enclosed is Want list again. Keep weather eye out for me.
