Dear Jack:

This is a belated confirmation of our appointment with you at 2:00 p.m. Wednesday, March 25, to discuss a number of miscellaneous topics concerning the MAO, including the status and prospects of the FY 1960 appropriation, budget estimates for FY 1961, the financial plan, public education program, critical transportation needs, Director's house, site protection, including both action with the FCC and FAA, and local land problems.

Lloyd Berkner would like very much to be at Green Bank when you visit there, so we should review the dates for this visit to see if something mutually satisfactory can be found.

Sincerely yours,

RME

Richard M. Emberson
Assistant to the President
