Mr. Grote Reber
G.P.O., Hobart
Tasmania, Australia

Dear Grote:

Upon receipt of your letter of March 5th, I checked with the Gary-Wheaton Bank and was advised that the check for the dividend on your bank stock was mailed to you on January 31st, by regular mail.

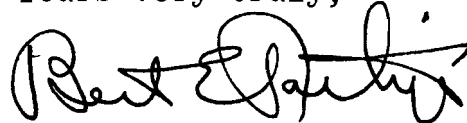

I do not know how long it takes for regular mail to reach you from here but, if you have not received the check and think that it has had ample time to reach you, I would suggest that you have the bank stop payment on the check and ask them to issue a new one. You may either notify them direct or I shall be happy to ask them to issue the new check and send it to you by Air Mail.

I also asked them to check, to ascertain if the check had cleared, and they advised that it had not.

I assume that you have received my letter regarding the sale of the Seminary Avenue property, and hope that you found everything satisfactory.

Thanking you, and with kind personal regards, I am

Yours very truly,

ber;lk
