Dear David:

Thank you for your letter dated August 22, 1992 and attached material regarding the efforts of Mr. Grote Reber of Tasmania to lease land on the Charlottes for an observatory.

As this is a proposal that interests me I would appreciate being kept informed of any future developments.

Best wishes and again, thank you for taking the time to keep me apprised of Island interests and concerns.

Sincerely,

JIM FULTON, MP
Skeena
