Dear Grote:

I believe Hap has told you that I have to be in Sydney and Melbourne in March of 1966, and would very much like to go on over to Hobart and pay you a visit while I am in the area.

According to present plans, Louise and I will be in Melbourne on March 15 and 16, and could come over to Hobart on Ansett Flight 155, arriving in Hobart at 8:50 P.M. Wednesday, March 16. We are planning to stay at the Wrest Point Hotel. We have set aside Thursday, St. Patrick's Day, March 17, to visit with you, so I can see your works, climb a few poles, and make such repairs as are necessary. We have a flight leaving Hobart on Friday, March 18, at 4:30 P.M., Ansett #156. Maybe we would have some time to take a look at the countryside Friday morning.

Hope this will work out with you, and that the 17th is not a Holy Day, or anything like that. You will note that I have carefully scheduled this for after Valentine's Day, and am practicing up on the decimal currency system.

Best regards,

*Bill*
