Dear Grote,

A letter has arrived addressed to you from "Aerospace Systems Division": I'm sending it to you via Priority Post.

I've packed and properly stored all of your things at Ashton, cleaned the E.A. recorder ink well, brought all tools and toolboxes back to Sussex and dropped your Ashton Site keys at C.R.C. Shirley's Bay.

I hope that you had a good flight home and your boxes arrived in good condition at the Hobart Airport.

Take care of yourself Grote.

Jean Bastien.
