Mr. Charles F. Dunbar,  
Secretary,  
Associated Universities, Inc.,  
UPTON, L.I., N.Y., U.S.A.

Dear Mr. Dunbar,

Thank you for your letter of February 9. I am glad to hear that the information I sent you for visa purposes looks O.K. It was certainly a mixture.

With regard to travel arrangements I propose an itinerary as follows :-

Wed. March 14 (Qantas Empire Airlines) QF510  
Dept. Sydney 1700. Arr. San Francisco 1700 same date.

Thurs. March 15 in San Francisco. United Airlines  
UA897 Dept. 1700. Arr. Los Angeles 1810.

Fri. March 16 in Pasadena.

Sat. March 17. L.A. to Chicago UA854  
Dept. 0821. Arr. 1400.  
Chicago to Philadelphia UA84.  
Dept. 1435. Arr. 1710.

(en route to Princeton N.J. C/- Dr. F.H. Nicoll,  
247 Western Way).

Mon. March 19 - See Professor Rabi (at either Princeton or New York) - and make subsequent plans to proceed to Washington and Green Bank.

2.

If this is suitable to Professor Rabi I should be obliged if you could go ahead with the necessary air reservations. I am asking Qantas to hold a seat on the Sydney-San Francisco flight.

I agree with you that it is better to leave return bookings until after my arrival in the U.S. However, it may be desirable from the cost point of view to inform the airline that the flights are part of a round-the-world trip.

I hope all arrangements are going smoothly.

Yours sincerely,

(J.L. Pawsey)

c.c. Professor Rabi
