G. G. HOPKINS

Jan. 18, 1961

Dear Grote,

Imagine my surprise when I opened a box from you last night and found it full of radio tubes !!

Seems that I received the box well over a month ago and took it out to the Amateur Museum - assuming that it was the old IF strip that I sent you and that you were returning same. Opening the box to remove it I found it full of tubes !

Only 2 tubes were broken....There were several off-brand tubes that the club doesn't have and is appreciated. The others, of course, are welcomed since we can always find a place for them.

The next "OLD TIMER'S BULLETIN" will be out in the next few days..trust it will be of interest to you...

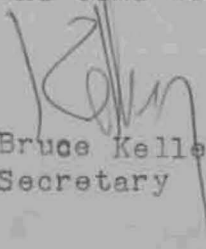

Now - I have been asked by the local radio clubs to ask if it were possible to have you here as a guest speaker at the WESTERN NEW YORK HAMFEST ?

This is the largest gathering of radio men in upstate New York. We generally have an attendance around 600 licensed operators. The recent interest in your field would make you TOPS as a speaker at our gathering.

The affair is scheduled for Saturday, May 6. It is an all day affair starting at 10:00 PM and a banquet at 7:00 PM. I'am not too familiar with your work or schedules so maybe we're "barking up" the wrong tree, however, we sure wish you would give the "upstate gang" your consideration. We'll bill you as top speaker with appropriate publicity in newspapers, etc.,

Well, gess enuf fer nw..even if u can't make the May sindig, pse b sur es stop in es c us ani time wen in the area..hve ani nu pcs of ole gear...

vy 73,

Bruce Kelley, W2ICE
