22nd March, 1963.

Professor Dr. H. Walter,  
Botanisches Institut,  
Stuttgart-Hohenheim,  
W. GERMANY.

Dear Professor Walter,

Thank you very much for your letter of  
18/2/63 and the helpful suggestions for Dr. Reber.

We have managed to borrow the copy of the  
Handbuch der Pflanzenphysiologie Vol. XVII/2 with  
the article by Bailland which is exactly what he  
required.

Your proposed visit to Africa will be  
most interesting and I hope you find it interesting  
and enjoyable. Next week we have a visitor from  
Poland, Professor Pieniazek.

My wife and I send kindest regards  
to you and Dr. Walter.

Sincerely,

D. Martin,  
Officer-in-Charge.
