

Wishes for a Happy New Year

Hi Grob!

All the best for 1965!

Here another year has gone by,
and I still haven't visited
you. Guess you'll get here
before I get there. Anyway,
I hope we'll be seeing your
cheery countenance soon.

Regards

Sam Smith

1964

With warm wishes
that this year will be
one that fulfills
your fondest hopes,
and brings you
much happiness.
