

SOUTHERN APPALACHIAN BOTANICAL CLUB
WEST VIRGINIA UNIVERSITY
MORGANTOWN, WEST VIRGINIA

November 18, 1959

Dear Member:

Our Nominating Committee consisting of Oliver M. Freeman, Chairman, Eleanor McGilliard and A. E. Radford, has sent me the ballot listed below. Please vote and return the ballot to me by December 7. We want our officers to be able to serve the entire year of 1960, so your cooperation is necessary.

Sincerely,

Elisabeth Ann Bartholomew
Secretary

is announcing the arrival of:

EDIBLE WILD PLANTS

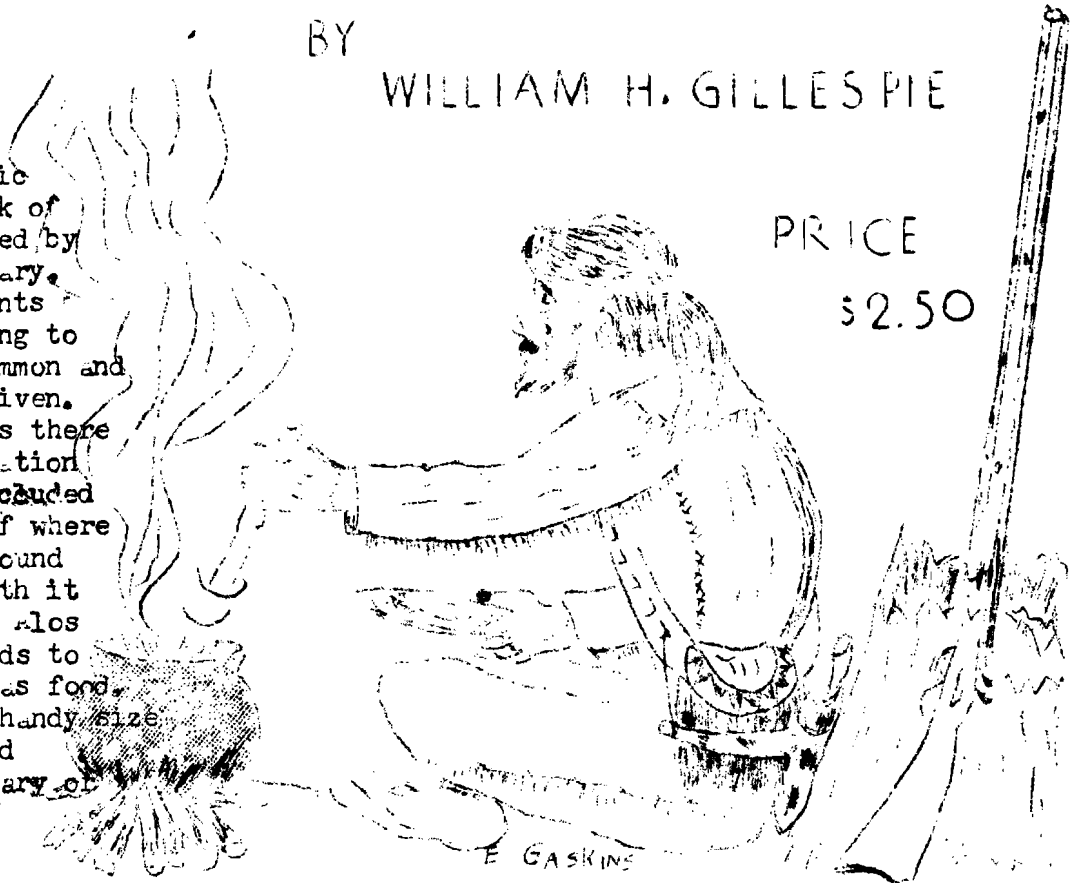

OF WEST VIRGINIA

BY

WILLIAM H. GILLESPIE

PRICE
\$2.50

This is a plastic lay-flat bound book of 118 pages, published by the Scholar's Library, New York. The plants are listed according to family with the common and scientific names given. On the facing pages there is a clear illustration of each plant. Included is a description of where the plant may be found along with the month it can be collected. Also included are methods to prepare the plant as food. This book is of a handy size (6"x 9") to be used either in the library or field.

Please send me a copy of EDIBLE WILD PLANTS OF WEST VIRGINIA. Enclosed is \$2.50 to cover cost.
