Dear Sirs:

The people at Green Bank have decided to go ahead with this moving. You will want your money first. To the \$4427, I'm adding \$120 for insurance of \$3000, making total of \$4607. I'm instructing National Radio Astronomy Observatory to send a check for Aus \$4607 direct to you. It should arrive in about two weeks.

When you have it in hand, let me know. I'm getting old, so cannot lift heavy boxes. Apparently you will send a flat bed truck with container on top. Send two strong men. A small fork lift will be useful.

The man at Green Bank is K. I. Kellermann.
His fone is 804-296-0221. His FAX is 804-296-0385.
Enclosed herewith is your copy of #81310.

I am,

Yours faithfully,
Grote Reber
