

20th January 1966

Dear Bill:

Thank you for your letter of the 29th December and telegram of yesterday. Wrest Point is full up due to convention of Irishmen. I have secured twin bed room at Travel Lodge for nights of March 16th & 17th. Accomadation is good or better than Wrest Point. I will meet your plane at airport on the 16th.

I'm very pleased to learn of your impending visit which has most appropriate timing. It will assist me in making a graceful departure a few months thereafter. I'll provide more details as my plans develop.

Best regards,

Grote Reber
