Dear Schuyler:

During most of the past year I have been out of the country again. Now that I've returned, I would like to come over and help you divide out mutual inheritance, namely the silver, china and photographs. Also I would like to secure the Century Dictionary as a memento of the old home.

In order not to interfere with your work, I propose to come on the week end of the 25th-26th June. Please advise whether or not this is convenient. If not, please suggest another date as my time is quite flexible.

You might tell me something about yourself and your family. How are all of you getting along? Hoping to see you in a couple of weeks, I am

Sincerely yours,
