Dear Grote:

Just a brief note to convey the season's greetings. Not having heard anything from your direction recently, I presume you are busy and happy.

Incidentally, I heard from Professor Williams at the University of New England, who upped the ante somewhat with a request for about \$5,000. I suspect we may be able to do something for him but it is still pending.

Merry Christmas and Happy New Year. If you were in a different location I'd say Aloha.

Best wishes,

Charles H. Schauer
