Gentlemen:

I would like to purchase a copy of "Waves in the North Pacific Ocean", Anon., H.O. Misc. No 11,117. The Hydrographic Office in Honolulu informs me they only stock items in Circular No 3 and this is not listed.

H.O. 11,117 is vaguely similar to HO 10712 D. The data of H.O. 11,117 is in form of histograms for each two degree square of area and based on the years 1924-1938 with monthly charts.

Please advise via airmail the price of one copy of H.O. 11,117 in order that I may remit promptly for same.

Yours very truly,

Grote Reber
